Jonathan Veira 'Larger than life' – The Tour

It is rare these days to find someone who can sing beautifully, entertain *and* make people of all ages laugh. To be able to do all this without using bad language is remarkable in this cynical age. In his hugely popular one man show, Jonathan has established a reputation for just this over the last 26 years – singing to millions across the UK and the rest of the World.

JV is a musical chameleon – singing songs of great diversity to an incredibly high standard. His easy, natural conversational style of sharing his faith journey combined with superb music and riotous anecdotes is enthralling, engaging and inspiring. He draws you in and before long you feel as if he is singing and talking just for you.

We're hugely privileged to have JV visit Taunton on his '*Larger than life*' national tour. An evening with him is not just a concert – it feels like time spent with a good friend.

What some people have said after attending Jonathan's previous show, **An Audience with JV.....**

'Jonathan Veira is the best one-man show I have ever seen, and no, I'm not one of his relatives! He can sing and play anything from opera to Billy Joel, and he does a great send-up of Country and Western music. A naturally funny guy. If you go to this guy's show and you don't enjoy yourself - you need to see your doctor, there is DEFINITELY something wrong with you!'

Belfast, Northern Ireland

'... I have not laughed so much in ages. Your singing and playing is such a joy to hear. Hope to come to another concert in the near future. God bless you.'

Thundersley

'Notwithstanding Jonathan's obvious musical talent, he has an ability to reach out and connect with his audience in a unique and sensitive way so that everyone in the room seems to be totally enthralled and captivated. Don't miss an opportunity to be part of one of these very special evenings, because that is what it feels like - you are part of it. It will certainly be an evening I don't forget in a hurry!'
